

# P3.express

## Delivery

Mix of face to face, online workshops, webinars, coaching sessions, and workplace learning

## Ideal for

Anyone working on projects of any size, by every business department.

## Description

P3.express is a simplified, minimalist, practical project management system. It's easy to learn, and easy to use.

It is a must course for all those working on projects of every size, by every department.

It can be used by level of staff member to cut through project planning, ensuring all the detailed steps are included, managed in a collaborative way.

Workshop delivery  
face to face / virtual

2-3 days
